

R Exam

- ▶ Based on week 10 - 14 lab sessions (excluding week 9)
 - ▶ Contents that were skipped will not be on the exam
- ▶ ~ 20 multiple choice questions
- ▶ + 1~3 open-ended questions (syntax hints will be given)
- ▶ Seats will be assigned
- ▶ Unable to conduct the exam for everyone on the same day..
 - ▶ As done in Statistic I, let us switch R exam time with the lecture
 - ▶ Each lab session will be replaced with the lecture
 - ▶ R Exam during the lecture period (23rd Tue 4:30-6:00 pm)
- ▶ During the final lecture, we will cover how to run linear regression in R and how to interpret the results

Office Hours
